Dear Grace Lutheran Church,

Corvallis Parks & Recreation sends its fondest thanks for all of your help at Avery Park on September 8, 2019! During that Sunday morning, the church members carried out a *lot* of needed attention for the benefit of Avery Park's Rose Garden, playground, and landscape.

Your efforts for the clean up and pruning of these popular sites help maintain them in a safe and attractive condition. Volunteer partnerships are a fundamental element for keeping our public parks in a healthy state for the public to enjoy and we look forward to the opportunity of working with you again for future community events.

Thank you!
